

# Breathe in the Breath of God

We awaken to life...

We awaken to death...

Breaking News...

Harsh, Indignant, Deplorable

Suicide, Homicide and Misery...

Fields of Danger

Human trafficking

No safety with Mama...

Weakened faith...

Stripped of hope...

Six bullets laid Daddy down.

No home security...  
Locked doors busted  
Piercing screams splinter silence.

The powerful sleep,  
The elderly are afraid to slumber.  
Neighbors keep vigil...  
Children cry in fear...  
Adults in protest.  
Tears smeared with pepper spray.

Humans sacrificed for peace.  
Slammed to the ground...  
Brutalized  
Terrorized  
Dehumanized.

Persist in faith!  
Swallow God's  
unconquerable Grace!  
Let Evil strangle as  
Grace dissipates!

Red, yellow, brown, black, and white...  
Citizen, immigrant, green card, passport...  
It matters not!

God's power is revealed.  
Seek channels of hope  
Breathe!  
Transform your soul!  
Breathe in the breath of God.

Breathe  
Breathe

Breathe
